Manufactured for  
Tracer Minerals  
Cimarron, KS 67835

**NET WT 10 lb. (4.54 kg)**

## PRODUCT DESCRIPTION:

*Platinum Stag* is an excellent source for protein, fats, and amino acid chelated minerals for improved health and growth of the animal. Safe for all stages of life. Fawns to fully grown does and bucks will thrive off the health benefits of this product and you will love the results.

The ingredients in *Platinum Stag* including whey protein, flax and canola (sources of omega 3 fatty acids), amino acid chelated trace minerals and other fat sources will help deer achieve a higher health status, better hair coat shine, smoother mobility, stronger racks, and increased performance over other feed sources.

## FEEDING DIRECTIONS:

**Consumption should be approximately ½ oz to 1 oz per head per day. If consumption is too high, cut with salt.**

### Before Season:

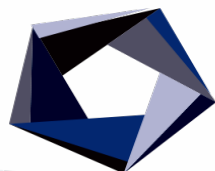

Pour/Place pan of Platinum Stag in optimal locations to attract deer to the area and help establish patters. This also provides essential nutrition enhancement during off-season.

### During Season:

Pour/Place pan of Platinum Stag on trails. Replenish as needed++

Please review all local and state regulations regarding attractants, supplements, and baiting of wildlife before using *Platinum Stag*
